

NOTE: Stations not listed are operating without temperature restrictions and are subject to change without notice.

STATION TEMPERATURE EMBARGOES

Many stations have seasonal temperature embargoes in place for Animal Shipments (described as AVI). Please note that the following stations are subject to station-specific embargoes for the summer season, which generally run from May 1 through October 16. Generally, Animal Shipments are not accepted when temperatures are over 85°F. Expectations may apply. For more information, call: (800) 225-2752.

The following stations are subject to such restrictions and are subject to change without notice.
